

Lisa Ishii, MD, MHS
Brief Bio

Dr. Lisa Ishii, Professor of Otolaryngology-Head & Neck Surgery, is Senior Vice President for Operations for Johns Hopkins Health System (JHHS). In this role she oversees Health System Operations and health system integration activities. Her Operations Office supports JHHS Supply Chain; JHM Ambulatory Surgery Centers; Johns Hopkins Service Line development and implementation; and Johns Hopkins Language Access Services.

At the national level Dr. Ishii served as the Research & Quality Coordinator and Board of Directors member for the American Academy of Otolaryngology-Head & Neck Surgery. She chaired the Registry Task Force that developed the specialty's first qualified clinical data registry, Reg-ent. She now serves on the Reg-ent Executive Committee, and focuses on supporting the systematic collection of standard data elements and development of meaningful performance measures.

Dr. Ishii is also an elected member of the American Academy of Facial Plastic & Reconstructive Surgery (AAFPRS) Board of Directors. She serves in the dual of roles of Associate Editor and Statistical Editor for her specialty journal, JAMA Facial Plastic Surgery.
